Comdr. Saul Hertz, MC, USNR  
144 Grove Street  
Chestnut Hill, 67, Massachusetts

Dear Commander Hertz:

I have your letter of April 8 with the accompanying material.

We are planning to publish your paper in an early issue of The Journal, together with the paper of Doctor Chapman and an editorial on the subject.

The Journal is, of course, interested in getting an adequate presentation of this material at an early date.

Very truly yours,

Morris Fishbein
