

Sept. 6 - 1942

Dear sir:

Please let me know if could send me your radioactive iodine to cure my thyroid gland, because my doctor wants to operate on it he calls it poison gather

Last winter I was waiving 205 lbs. now I way 160

waiste was 44 now is 36

I am little nervous and have pain in my knees and I am so weak I cant lift hardly 50 lbs. Doctor said that all this symptoms are for a that thyroid gland gland is about size of walnut do not show very much on outside is more inside. Cords on the throat are swelled.

So please let me know if you could send me your treatment

Yours truly
