

IN MEMORIAM

To the Editor:

I am a subscriber to your paper and gladly look forward to each coming issue.

I have written a poem in tribute to Dr. Saul Hertz, who has been a very dear friend to me as well as my doctor.

I will appreciate it most heartily if you will kindly publish this poem as a tribute to him, which he so righteously deserves.

DR. SAUL HERTZ

I knew a man who was as perfect as one could be.

It isn't easy to find a duplicate,
You just try and see.

He was honest, loyal and very kind.

He was both learned and refined.

His words and smiles were sincere.

I felt so safe when he was near.
He was a Doctor of Medicine and

he honored his position,
By trying his very best to keep
his patients in the best condition.

He was a God-Send, of that, I
am sure.

For people suffering from various ailments, he had found
a cure.

My praise for him will never
end.

For Dr. Saul Hertz, of whom I
write, was my very dear
friend.

IN APPRECIATION

To the Editor:

I was especially happy to receive my copy of The Jewish Advocate this last week, for in it, in addition to its usual interesting and instructive items, I found one of great personal interest to me. I deeply appreciate the privilege bestowed upon me and hope for the rest of my life to merit this distinction.
