Dear Ed:-

Enclosed please find the signed copy of the Hertz brothers. Many thanks for the copies sent to Roy and myself. We both appreciate having them and I personally regard the picture as one of my valued possessions. Roy has been my favorite brother, being a doctor, for many years and to have a picture of us together is very unusual since our travels are nearly always in different directions. We hope that this will be remedied from now on and the conference at Colby was the start of a new era as far as that is concerned since it was the first time that we attended the same meeting at the same time.

With best regard to you,

Sincerely yours,

Saul Hertz, M. D.
